

[illegible]

The diagram shows a box containing the following numbers:

	30,08	28,74		28,6
33,09		34,1	32,39	
				32,99

Below the box is a sequence of seven empty boxes connected by greater-than signs: $\square > \square > \square > \square > \square > \square > \square$.
