

# WILD ANIMALS

**WRITING ACTIVITY**

1. Choose an animal from the vocabulary.

2. Describe it (include as much information as you can- you can find on the Internet).

Here are some questions that you should answer during the description:

Where do they live? Are they carnivores, herbivores or omnivores? What do they eat? How do they look (fur, beak, legs, colour…)?

[Intenta que tu descripción incluya, al menos, la respuesta a estas preguntas. Recomendación: escríbelo primero en un papel y luego aquí]
