

# EUSKADIKO KLIMAK

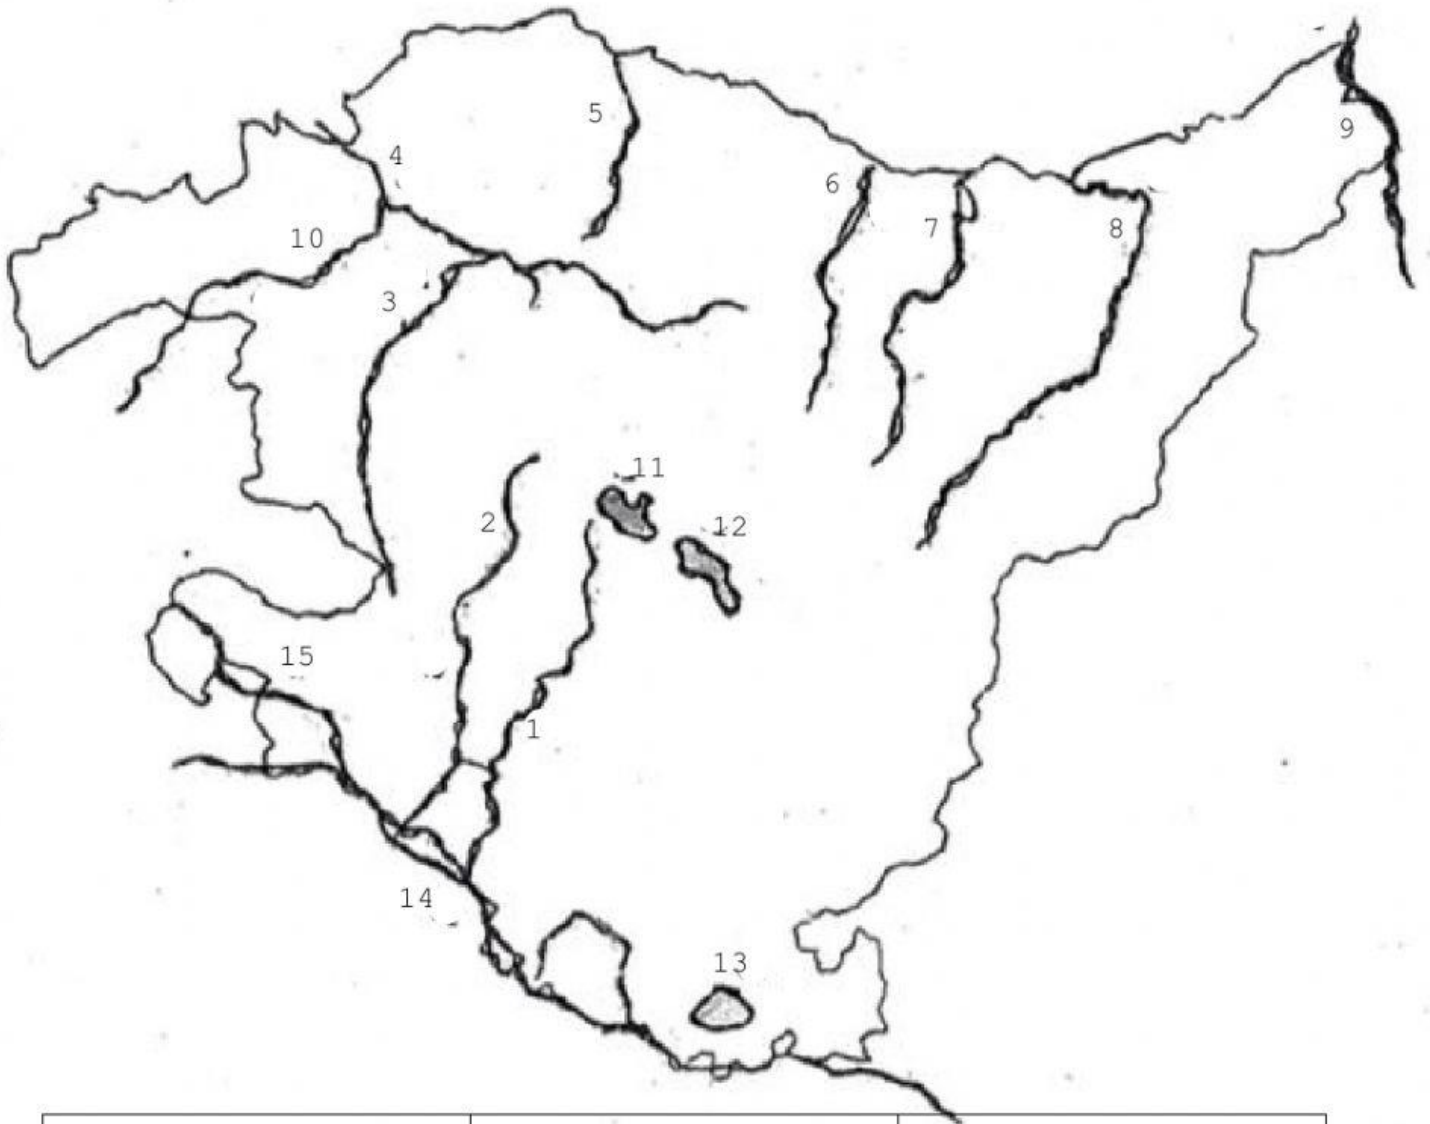

1. Bete hurrengo taula Euskadiko klimekin.

| Euskadiko klimak   | Tenperatura | Prezipitazioa |
|--------------------|-------------|---------------|
| Klima ozeanikoa    |             |               |
| Mendiko klima      |             |               |
| Klima mediterranea |             |               |
| Trantsizio klima   |             |               |

2. Kokatu klima bakoitza bere tokian.

3. Idatzi ibai, urtegi eta urmael bakoitzaren izena.
