

Watch "Upgrade" on Netflix, around minute 30 and fill the gaps.

A: May I point something out?

B: Hello?

A: Yes?

B: Okay, Who's saying that?

A: I'm STEM, the system operating your body for you. Don't be afraid.

B: You fucking kidding me?

A: No

B: I've gone insane. I'm fucking insane.

A: Your psychological report diagnosed you with mild PTSD symptoms, but you are not insane.

B: Wait, so okay, you've been sitting there this whole time since the operation?

A: I've been observing everything you've observed.

B: Do you have to talk?

A: If you don't want me to, I will not.

B: Okay, yeah, don't talk.
