

Read the notes. Look at the pictures and read the sentences. Choose the right answer.

### Prepositions

Prepositions are words that are used before nouns or pronouns.

a. Prepositions give information about place.

For example:

Mother is cooking in the kitchen.

The books are on the table.

John and James are exercising in the gym.

b. Prepositions also give information about time.

For example:

Harold has karate practice on Saturday.

Alia has tuition in the evening.

Her birthday is in March.
