

Name:

Grade 6

Read about animals. Write the plural nouns. There are 11 plural nouns

My favourite Animals

Like many animals. I like snakes and rats. I think they are cute! Flies can fly. I also like foxes, because they have orange tails. Camels are very strong, and horses too. Some people say wolves are scary but I think they are great. Flamingoes are pretty with their pink feathers. I have so many favourite animals.
