Contoh :

A diagram showing base ten blocks for the subtraction $38 - 15$. The minuend 38 is represented by three tens rods and eight ones units. The subtrahend 15 is represented by one ten rod and five ones units. Arrows indicate the exchange of one ten rod from the minuend into ten ones units. The final result, 23, is shown below the blocks.

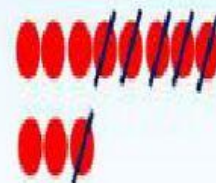

$$\begin{array}{r} 38 \\ - 15 \\ \hline 23 \end{array}$$

$$38 - 15 =$$

	pu	so
	3	8
-	1	5
	2	3
