Las reglas en las clases virtuales,2021

1. Choose a quiet space, free from distractions, to set yourself up for class. Turn off cell phones, TVs, etc. Exit other applications on your computer prior to entering the classroom.

2.Come to class early.

3.Dress appropriately. Remember this is still a classroom setting.

4.Use your full name when you sign into the classroom.

5.When you enter the classroom, make sure to enable both audio and video. You can click “Start Video” and “Join Audio” in the bottom menu. For audio connection, you can choose to connect via the computer or dial-in on your phone.

6.Mute your microphone during the lesson to avoid disturbing the class with any background noise.

7.Be respectful.

8.Participate. When you have a question or comment, use the “Raise your Hand” button that can be found in the window that pops up when you click on Participants in the bottom menu. Wait to be acknowledged by the teacher before unmuting yourself to speak. You can also use the keyboard shortcut Option+Y on a Mac or Alt+Y on a PC to raise your hand.

9.Use the chat responsibly. It is meant to facilitate conversation around the lesson topic, not for sideline discussions.

Homework:

Learning a foreign language is important. What are some benefits of learning a foreign language? **Give at least four benefits.** How do you think you will use Spanish in the future? What do you hope to gain from Spanish class this school year?

Choose the answer/s from the multiple choices:

1.Spanish is the second most spoken language in the world

2.Because English acquired almost 30 percent of its vocabulary from Latin, you immediately recognize the words.

3.Spanish gives you access to another cultures.

4.Learn Spanish make you more employable, you could work and study abroad.

5.All above mentioned.
