#### High-school help!

Secondary school can be very difficult, but if you want to do well and be in your teacher's (1) \_\_\_\_\_, then we have some advice for you! First of all, to (2) \_\_\_\_\_ at school, you need to manage your time well. This means that you must (3) \_\_\_\_\_ to do your homework on time and make sure that you aren't late for school. Students who (4) \_\_\_\_\_ and are repeatedly late or absent are only going to get into trouble. If getting ready for school is a problem because you're sleepy, establish a morning routine and stick to it. You will soon (5) \_\_\_\_\_ it and you won't be late any more. Finally, don't forget that if you study hard, you'll soon see results and, who knows, you may even (6) \_\_\_\_\_ for learning!
