Talking about personality

What kind of _____ do you have? Do you ever think about your personality? I do. I think it's very interesting to explore personality. My own personality has _____ a lot over the years. When I was a child, I was painfully _____, but now I'm brimming with confidence. I have learned how to be with people and let my true _____ shine. The personalities of my friends have rubbed off on me, which I'm happy about. There are parts of my personality I'm not too with. I'm quick to get _____ with people and sometimes I sulk when I don't get my own way. I think overall I have a good personality. I'm easy to get on with and I'm quite happy and _____. I might take some personality tests and see what they say about me.
