I enjoy [red box]. I cycle to and from work daily.

My passion is [red box]. I often host dinner parties and try out new recipes.

I love [red box]. There's nothing like galloping along a country trail.

I am very good at [red box]. I'm at home on the court.

I can't live without [red box]. I am not particularly good at it, but still love it.

You could call me a [red box]. I shop 'til I drop.

My guilty pleasure is [red box] at sensible prices, of course.

My friends and I eat out on every occasion.

Give me a good detective novel and I am in paradise.

[red box] for pleasure relaxes me and stimulates my mind.

Life without music is boring to me. I love [red box] to all kinds of music.

Even though I don't have a good voice, I still enjoy [red box].

[red box] is one of my favourite pastimes.

I'm a nut for [red box]. It's a great stress-buster.
