The film's name is The Godfather. It's a gangster film set in New York.

The main character is Maelon Brandon. The film came out in March, 1972.

Hope you can see it too! Cheers

☐ Text 3:

Hello Julie,

How are you? I watched a gangster movie last Monday at home.

The film's name is The Godfather. It's a gangster film set in New York.

The film came out in March, 1972.

Hope you can see it too! Cheers

Reading.

STEP 2: Read and answer the questions.

This action/adventure film is a remake of a 1933 classic. Jack Black plays a movie director who captures a giant ape from a lost island and brings the ape back to New York. In the end, the ape escapes captivity and causes destruction in New York.

-What's the name of the movie?

-What type of movie is it?

-Who 's in it?

-Where is it set?
