

The Mohawk

Why do you think Leo got his hair cut into a mohawk?

How did he feel when he initially got it cut?

When Leo got to class after the class lists had been called out how was he feeling and how do you know?

Why do you think Leo didn't want to go to the bathroom and flatten his hair?

What do you think Matua Glen meant by 'I like people who have something to say. It's important...' when he was talking to Leo.

What did Leo find out that helped him when he was researching mohawks? Did that help him?

How do you think he was feeling when he headed back to school the next day?
