## II. READING COMPREHENSION (50 Marks)

**PART A. Read the following text about Charlie's day. Answer the questions by giving complete answers. (30 marks, 5 each)**

## Charlie's day

Charlie is eleven years old and he lives in Brighton, England.

He usually gets up at a quarter to eight, he has a shower, gets dressed and then he brushes his teeth. After that, he goes downstairs and has breakfast. For breakfast he usually has milk, toast, and orange juice. Then he brushes his teeth again because he likes them white and healthy!

Then he grabs his school bag and goes to the bus stop to catch the school bus. Classes start at half past eight and finish at half past four. He usually has lunch at the school canteen with his schoolmates at about 12 o'clock. His best friends are Peter and Juan.

After school he returns home and does his homework. He is a very hard-working pupil, and he never misses a school task! After homework, he usually listens to music and watches television a bit.

At half past seven it is time for dinner. Then he usually reads a book or chats with his parents for a while. Finally, he goes to bed at about ten o'clock, but before that he brushes his teeth. Charlie is a happy little boy!
