## Gabriel García Moreno

### COMPLETE USING THE CORRECT WORDS

**Catholic - Jesuits - liberals – two - education**

His \_\_\_\_\_ terms are especially different in history because in the first he proposed to organize and get the country out of the chaos in which it was, while in the second term he dedicated himself to the reorganization and development of the works that would bring the long-awaited progress.

One of the areas in which Moreno placed special emphasis was \_\_\_\_\_, opening numerous schools and teachers, meanwhile, in all of them the importance he gave to the **teaching of the** \_\_\_\_\_ **religion** was very noticeable.

Even Moreno was the one who opened the doors wide to **the** \_\_\_\_\_, to whom he also entrusted much of the teaching.

When he had already assumed his third presidential term, Moreno was surprised and attacked at the entrance of the government palace by a group of opposition \_\_\_\_\_.
