Dear Syazwan,

How are you? I am writing to tell you about what I like to do in my free time. I like to go swimming and jogging but my favourite hobby is fishing. Do you like fishing?

My father and I always go fishing in my father's boat. My father's boat is a speed boat so it goes very fast. My father and I go fishing every Friday, Saturday and Sunday. We go fishing at Serasa beach. I like fishing because it is very exciting when I catch a fish. I also like eating them!

What do you like to do in your free time? Please write and tell me.

From your friend,

Aniq.
