## Recordemos lo aprendido sobre la centena.

168 =  Se lee: \_\_\_\_\_

319 =  Se lee: \_\_\_\_\_

476 =  Se lee: \_\_\_\_\_

Observa las representaciones. Luego escríbelas en números y relaciona.

- |  |   |                          |
|--|---|--------------------------|
| a.    | →    | • Ciento treinta y cinco |
| b.   | →   | • Trescientos            |
| c.  | →  | • Doscientos trece       |
| d.  | →  | • Ciento dieciocho       |

Completa los espacios en blanco.

- |                               |                                  |
|-------------------------------|----------------------------------|
| a. 1 decena = _____ unidades  | ⋮ d. 2 centenas = _____ unidades |
| b. 1 centena = _____ unidades | ⋮ e. 8 decenas = _____ unidades  |
| c. 4 decenas = _____ unidades | ⋮ f. 5 centenas = _____ unidades |

Completa los espacios en blanco.

- |                           |                                    |
|---------------------------|------------------------------------|
| a. $5C + 1D + 5U =$ _____ | ⋮ a. $443 = 400 + 40 + 3$          |
| b. $6U + 0D + 6C =$ _____ | ⋮ b. $651 =$ _____ + _____ + _____ |
| c. $8D + 3C + 8U =$ _____ | ⋮ c. $872 =$ _____ + _____ + _____ |
| d. $4C + 5D + 0U =$ _____ | ⋮ d. $980 =$ _____ + _____ + _____ |
