

LIFE IN CHRISTIAN KINGDOMS

1. Match the people to the descriptions.

- | | |
|---------------|---|
| a) miller | a noble who lived in the castle and ruled the land |
| b) blacksmith | a member of the clergy who lived in a monastery and copied books |
| c) artisan | an artisan who ground wheat to make flour in a mill |
| d) monk | a person who defended the lands |
| e) lord | a person who made products, such as flour, tools or metal objects |
| f) peasant | an artisan who made metal objects, such as horseshoes |
| g) soldier | a person who worked on the land, growing crops or raising animals |

2. Put the sentences in the correct place. Click on them and drag them, don't write.

- a) In monasteries, monks copied books.
- b) Peasants grew crops and raised animals.
- c) Nobles ruled the land.
- d) Soldiers defended the land.
