DIFFERENT MEANS OF TRANSPORT

1 A tuk-tuk looks like a motorbike with three wheels. The driver sits in the front, and two to three people can sit in the back. Many tourists take tuk-tuks in Thailand. They can be faster than taxis. Riding in tuk-tuks is fun and exciting, too!

2 Gondolas are long boats. In the past, people used them in Venice, Italy, to get from one place to another. Gondolas are very slow. Riding in a gondola isn't very comfortable, but tourists love it!

3 People ride snowmobiles on snow. Snowmobiles haven't got wheels. They have got skis. They can go very fast. Snowmobile drivers have to wear a helmet and very warm clothes. It can get very cold on a snowmobile!
