SECTION B - INFO TRANSFER

PSR 2017

Read the information carefully and then complete the table below.

Musfirah's class wrote about 'Members in my family' as one of the English activities. She chose to write about her siblings.

My name is Musfirah binti Haji Hashim. I am eleven years old and the only daughter in my family. I have four elder brothers. The eldest is Baktiar. He was born in January 1997 and now he is twenty years old. He is a hardworking young man and likes to help people. Bakhtiar likes to collect foreign coins. He is 1.67 metres tall and a university student. When Baktiar finished his studies, he wants to be a lawyer.

My brother Ihsan is 1.70 metres tall. He is fifteen years old and a Year 10 student. He is a quiet but hardworking boy. He loves hiking. Ihsan wants to pursue studies to become an aircraft engineer.

My fourth brother Ikhwan is fourteen years old. He is studying in Year 8. His height is 1.61 metres. He enjoys reading. When he grows up, Ikhwan would like to teach in primary school. He is a helpful brother and a friendly person.

My second brother Asyraf Hakimi is two years older than Ihsan. He is still studying in Year 12. He wants to be a psychologist. Just like Ihsan, Asyraf loves hiking. He is also a hardworking person but a bit talkative. Asyraf is 0.08 metres taller than Ikhwan.
