Hi, my name is Jack. Last week it was my birthday and mum let me have a party. I invited five of my friends. We had a fantastic time. First, we played board games. Then we watched a film on TV. Mum was making pizza and popcorn and we were eating everything while we were playing. After the film, we went to my room where we listened to music and danced. We were having such fun when my brother came in. He said we had to turn down the music because he was studying for his exams. A little later, we were making up for fun when mum walked in. She said it was late and we had to go to bed. We put on pajamas and went to bed.
