ADVICE (NASIHAT) FOR A FRIEND

My advice is to find an interesting hobby.

My advice is to talk to someone you trust and don't get stress.

My advice is to study consistently take good care of your health and get enough sleep.

My advice is to exercise, eat healthy food and don't go to bed late.

My advice is to sing English songs and watch English movies.

My advice is to train regularly and don't forget to warm up before running.

- A. Choose the best advice for each situation. Then, record your voice reading the questions and giving the advice. Drag and drop.

Pilih nasihat yang sesuai untuk setiap situasi. Kemudian, rakam suara anda membaca soalan dan memberi nasihat. Tarik dan letakkan.

1. What's the best advice for a friend who wants to be healthy?

2. What's the best advice for a friend who wants to run a marathon?

3. What's the best advice for a friend who is having a boring weekend?

4. What's the best advice for a friend who has got exams next week?

5. What's the best advice for a friend who has got a problem?

6. What's the best advice for a friend who can't speak English well?

B. State 3 rules in your class.
