

Practice these words!

Play the game at learningapps.org .
Listen to the definition and write the word.
If you did not solve the puzzle correctly, play again.
Play until you write the words for all definitions correctly!

Do you understand these words and their definitions?
Draw a line to connect each word to its definition.

climax	retell using only a few words
detail	tell how two things are the same
predict	what you're talking or reading about
summarize	the most exciting part of a story
cause	tell what you think will happen in the future
compare	put in order
quote	what happens because something else happened first
resolution	more information; a little piece of information
topic	how the conflict in a story is solved
support	make something happen
sequence	repeat the exact words someone said
contrast	make stronger; give some proof
effect	tell how two things are different
