|                                                                                     |                                                                                      |                                                                                      |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
|   |    |  |
| <i>Flip horizontal</i>                                                              | <i>Skew</i>                                                                          | <i>Scale</i>                                                                         |
| <input type="checkbox"/>                                                            | <input type="checkbox"/>                                                             | <input type="checkbox"/>                                                             |
|  |  |                                                                                      |
| <i>Perspective</i>                                                                  | <i>Rotate</i>                                                                        |                                                                                      |
| <input type="checkbox"/>                                                            | <input type="checkbox"/>                                                             |                                                                                      |

[Skor: 5]

@CG. ZAIDAH

5 Rajah 4 menunjukkan imej asal grafik bitmap.

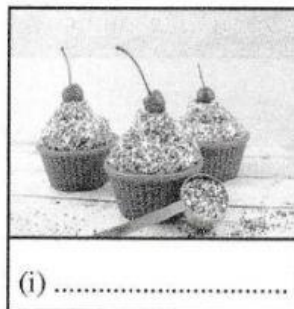

Rajah 4

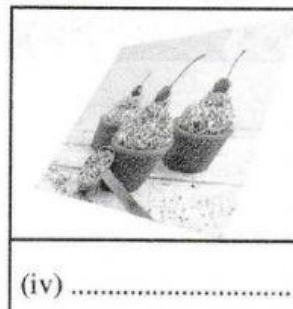

Berikut adalah beberapa submenu *Transform*.

|                |              |                    |                      |                        |               |
|----------------|--------------|--------------------|----------------------|------------------------|---------------|
| <i>Distort</i> | <i>Scale</i> | <i>Perspective</i> | <i>Flip Vertical</i> | <i>Flip Horizontal</i> | <i>Rotate</i> |
|----------------|--------------|--------------------|----------------------|------------------------|---------------|

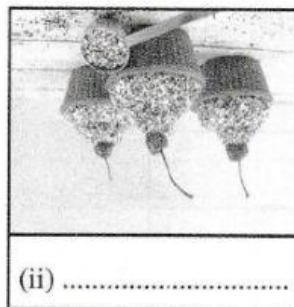

Berdasarkan Rajah 4 padankan penggunaan submenu yang **betul** pada imej berikut:

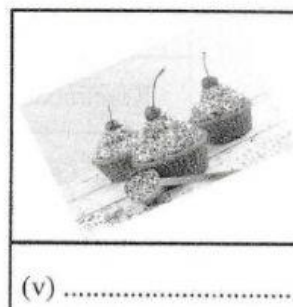

(i) .....

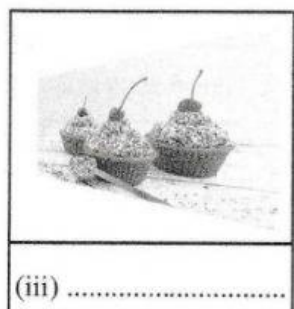

(iv) .....

(ii) .....

(v) .....

(iii) .....
