

ANGELS, by Robbie Williams

I _____ and _____
_____ an angel _____ my fate
And _____ they _____
The places where we _____
When we're grey and old
'Cause I _____ told
That salvation _____ their wings unfold
So when _____ in my bed
Thoughts _____ through my head
And I feel the love _____ dead
_____ angels instead
And through it all she _____ me protection
A lot of love and affection
_____ I'm right or wrong
And down the waterfall
_____ it _____ me
I _____ that life _____ me
When I _____ to call, she _____ me
_____ angels instead
When _____ weak
And my pain _____ down a one way street
I _____ above
And I _____ with love
And as the feeling _____
She _____ flesh to my bones
And when love is dead
_____ angels instead
Chorus
