Mr Magicman

He is a magic man! He makes magic!

Mr Magicman is a magician. He performs magic tricks. He is famous in his town and he goes to all the children's parties. He performs lots of magic tricks for them. He makes all kinds of animals from balloons. He plays card tricks. And, like Harry Potter, he can make things disappear! He tells wonderful stories. Sometimes, he sings and dances for the children. All the children love Mr Magicman.

When children see him in town, they wave and they shout 'Hello!' at him. He waves back and sometimes, if he has his hat on, he raises it to greet them.

Today, Saturday June 10th, it is Peter's birthday. Peter is ten. At 2 o'clock, all the children are at Peter's house. They play party games and eat some delicious cakes. They wait for Mr Magicman, but Mr Magicman does not come. The children are sad. Then Peter's Dad comes in. He says:

'I am very sorry. Mr Magicman has got a bad back and he cannot come!'

All the children are upset! They think a bit and then they make a plan. They make a banner and they go to Mr Magicman's house. They knock on his door. Mr Magicman slowly opens his door. He sees the children and he smiles. The children hold up their banner. The banner says: Get well soon, Mr Magicman. We all love you.

Then they give him a cake. Mr Magicman opens his mouth – and he makes it disappear!

Is it TRUE or FALSE? Put T or F on the line.

1. ___ Mr Magicman is a magician
