### 3- Choose the correct option

Im Dong-Hyun is an **amazing / amazed** athlete from South Korea. He **won / has won** three Olympic medals and also hold the world record for archery. Why is he so surprising? Well, I mis legally blind in one eye: this means he can't see things clearly when they are at a distance. For example, he can't distinguish people's faces properly when he is not near them.

Im **never believed / has never believed** that he has a disability, so he hasn't agreed to wear glasses or have an operation to improve his eyesight. He can see bright colours. The archery target is blue, red and yellow. The yellow is at the centre of the target, **because / so** Im always aims for the yellow!

Im **started / has started** to do archery when he was 10 years old and he has never stopped training. His daily routine is **tired / tiring**. He trains for six or seven hours every day and he also goes to the gym. He often enjoys listening to music, cycling and playing computer games. He thinks these activities **are relaxed / relaxing**

**4- Answer the questions . Give full answers**
