Correct the mistakes.

Jennifer Robert and Emily will travel to Spain tomorrow.

I totally forgot about the project however my brother helped me to finish it quickly.

Good morning everybody let's start a new episode on this show.

I never finish cooking before 6pm and I am always in a hurry during the evening.

LIVEWORKSHEETS

I found different kinds of sunflowers daisies roses and many other plants during my trip to Finland.

My uncle George used this car to work I think in the old factory of the town.

They are never on time for classes but they are always present for the parties.

After much time of reflection I have decided to buy this house.
