

Sign of Hope- Scorpions

Sometimes is easy to pretend
The ----- keeps turning round and round
And while this is going out of hand
I feel my ----- turns upside down

Give me hope, just a little bit of hope
A little comfort for my soul
And it's gonna be -----
Give me hope, just a little bit of hope
I know you gonna take me home
And Love will shine a -----

In ----- times, we need a friend
We keep on waiting for ----- times
Help me, God, here I am
Alone with all my ----- tonight

What it's happen to our life?
I see ----- places and empty roads
We say a ----- every night
Just waiting for a sign of hope

Give me hope, just a little bit of hope
A little ----- for my soul
And it's gonna be alright
