Task 3: Read and choose True/False

My name is Robin. I'm thirteen. Maths is my favorite subject. I am interested in it when I was a child. Maths is a subject in which we can learn about numbers and how to count. I like doing Maths with numbers. Maths helps me develop my ability to think logically. I can think faster and react better to numbers thanks to Maths. I always spend a lot of time reading books about Maths. I want to share what I know about Maths with people who love this subject like me. In the future, I want to become a good Maths teacher.

1. His favorite subject is Maths. **True**
2. He likes Maths when he was a child. .....
3. Maths is a subject in which we can learn about a new language. .....
4. He can think smaller to numbers thanks to Maths .....
5. He doesn't read books about Maths. .....
6. He wants to share what he knows about Maths with people who love this subject like him. .....
7. He wants to be a good doctor in the future. .....
