Tokyo, Japan: the most populated city in the world!

It may not be as big as New York City in terms of size but Tokyo has a larger population than any other city in the world. Tokyo is the capital of Japan and over 12 million people live in the official metropolitan area, but more than 35 million people live in Greater Tokyo. Tokyo is a spectacular city which has a mixture of very traditional buildings.

It also has one of the tallest towers in the world, the Tokyo Tower, which is very similar in design to the Eiffel Tower, except that it's painted white and international orange so that planes can see it!
