

Problemi per immagini

A worksheet featuring a blue border on a white background. Inside, there is a large circle containing three identical orange bottles of 'Crema Corpo'. Below the circle, a downward-pointing arrow is followed by the text '15 €'. To the right of the circle, the question 'Qual è il prezzo a flacone?' is written. Below this, there is a horizontal row of four empty boxes: two large ones, a small one, and another large one. To the right of the small box is an equals sign (=), and to the right of the final large box is a euro symbol (€).

LMarelli

Qual è il prezzo a flacone?

= €

4 €

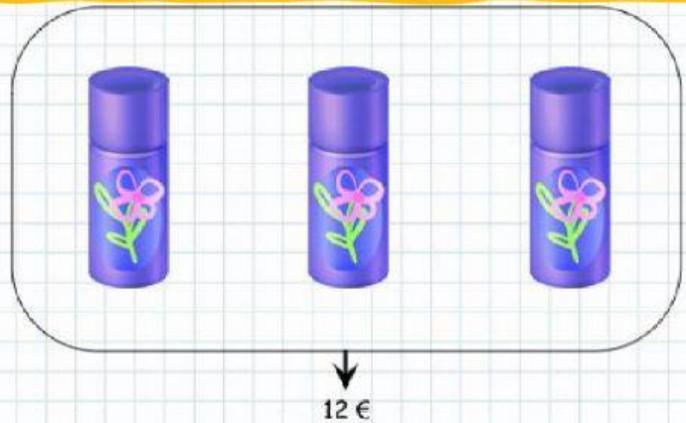

4 €

4 €

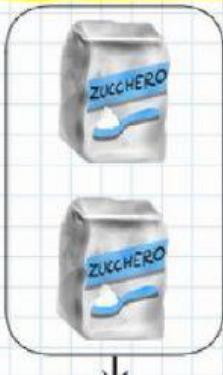

Qual è il prezzo totale?

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad} \text{ €}$$

Quanto costa un deodorante?

$$\boxed{\quad} \square \boxed{\quad} = \boxed{\quad} \text{ €}$$

4 €

Qual è il prezzo totale?
