THE SUPERHERO ANIMALS!

Hello! My name is Robby the rabbit. I live in the centre of the jungle. Let me introduce you to my superhero team!

I'll start with the smallest member, Jack the mouse. He is shorter than me, but he is very unique. His main power is to change his body into different shapes. The next member is Dash the cat. He is bigger and taller than Jack. He can run faster than anyone in the team. However, I am stronger than Dash. I can become invisible that can save me from danger. Lastly, I'll talk about the older members in the

team. They are Tommy the tiger and Peter the panda. Tommy has a very big and strong body. He can lift heavy things and defeat the villains easily. Nevertheless, Peter is not as strong as Tommy, but he is the smartest member on the team.
