Myung

Hi! My name's Myung and I'm a 16-year-old girl from South Korea. This blog is about my life at high school. My typical day starts at 6:30 a.m. That's normal for many high school students, I think. But it often finishes at 2 o'clock in the morning! Do you want to know more? Read on!

I live in Seoul with my mum, dad and brother. I get up, have breakfast, and always leave the house at 7:30 a.m. School starts at 8:50 a.m. When school finishes at 4.00 p.m. I go home and have dinner. But in the evening I go to school ... again! At my evening school, I have lessons from 6:30 p.m. till 9.00 p.m. I don't go home immediately after that. I do homework at the school and usually get home at 11:30 p.m. When I'm at home I relax. Sometimes I watch TV or listen to music. Finally, I go to bed at 2 a.m. Four and a half hours later, I get up again!

I know this day sounds terrible! But I'm happy. I want to be a teacher when I finish college so it's important to get good grades at school.
