Now I want to talk to you about your visit to _____ in the summer. I was very happy to read that you bought your _____ last week. Now it's really happening! After you arrive at the airport, you can catch a train that takes you to my town, Billingshurst. I wrote to you before about Billingshurst. It's not very big, but it's a very pretty town and it has a lot of history: I can take you to some very historic places when you come, like _____ and a big country house that a prince lived in nearly 300 years ago.

Anyway, when you _____ the train at Billingshurst Station, my house is very near. You come out of the station and you are in Station Road, it's a big road and there are large, old trees on both sides of the road. Continue down Station Road for about _____. There is a big school on your left -- that was my school! After you pass the school, take the first road on the right, it's called Silver Lane. My best friend Jemima lives in Silver Lane, you will meet her when you are here. Take the first right when you are in Silver Lane, the road is called Birch Drive, it's a small road and there are some little shops on the left. Continue down Birch Drive for about one hundred metres. Our house is on the left. It's the first house after Maple Road.
