

THEME 3: OUR COMMUNICATION
CHAPTER 10: Communication

10.1 What is communication?

- ✓ It is exchanging of information and messages.
- ✓ We need to communicate with others to obtain and pass on information.
- ✓ Communication is essential as we need to interact with one another.

10.2 Types of communication

- ✓ People communicate with one another by speaking or writing.
- ✓ There are many other ways that people could communicate with one another, such as using sign language, radio, telephone, mobile phone and also internet.
- ✓ Sign language is a unique language based on hand movements and facial expression.
- ✓ Sign language can differ greatly between countries due to language and culture differences.
- ✓ It is useful in many situations, such as the police directing vehicles on the road, ground crews personnel's directing aeroplanes and also in combat situations.

10.3 How did people communicate in the past?

A. Using smoke

- ♥ Using smoke to send signals is one of the oldest forms of communication.
- ♥ It is a form of visual communication used over long distances.
- ♥ The Native Americans use smoke signals to send news, signal a danger or gather people.

B. Using flags

- ♥ When a ship waves a white flag, it means that it has surrendered to its enemies.

C. Using sound

- ♥ A horn sound in a battle is a sign that the enemy is coming.

D. Human messengers

- ♥ Thousands of years ago, a human relay system was used to send messages.
- ♥ A messenger would carry the message in a scroll for a distance before stopping to pass the scroll to another messenger.
- ♥ A good example of the relay is the Inca runner during the Inca Empire in Peru.
- ♥ The Incas of Peru had a human messenger relay system who had an Inca runner stationed at every 3 km along the roads.
