You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your [ ] warm bed
You just [ ] what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
If you've got [ ], I've got 'em too
There isn't anything I wouldn't do for you
We stick [ ] and can see it through
'Cause you've got a friend in me
You've got a friend in me

Some other folks might be
A little bit smarter than I am
[ ] and stronger too, maybe
But none of them will ever [ ] you
The way I do, it's me and you, boy
And as the [ ] go by
Our [ ] will never die
You're gonna see it's our [ ]
You've got a friend in me
You've got a friend in me
You've got a friend in me

Bigger
destiny
friendship
love
nice
remember
together
troubles
years
