You've got a friend in me	
You've got a friend in me	
When the road looks rough ahead	
And you're miles and miles	D:
From your warm bed	Bigger
You just what your old pal said	destiny
Boy, you've got a friend in me	
Yeah, you've got a friend in me	friendship
You've got a friend in me	love
You've got a friend in me	nice
If you've got , I've got 'em too	Tilice
There isn't anything I wouldn't do for you	remember
We stick and can see it through	
'Cause you've got a friend in me	together
You've got a friend in me	troubles
Some other folks might be	years
A little bit smarter than I am	youro
and stronger too, maybe	
But none of them will ever you	
The way I do, it's me and you, boy	
And as the go by	
Our will never die	
You're gonna see it's our	The state of the s
You've got a friend in me	
You've got a friend in me	
You've got a friend in me
