ACTIVIDAD DE CIENCIAS NATURALES

TEMA: CUIDO MI CUERPO CON ALIMENTOS SALUDABLES

GRADO: 7MO “A”

FECHA: Martes, 07 de Septiembre del 2021

Identifica los alimentos saludables y los alimentos chatarras.

Arrástralos al lugar correcto.

The activity area features a row of nine food icons at the top: french fries, a plate of meat, a Coca-Cola bottle, two red peppers, two bananas, a carton of milk with a glass, a whole chicken, a lollipop, and a hamburger. Below the icons are two cartoon children. On the left, a smiling boy in a green shirt has five empty purple boxes arranged in two rows (three on top, two on bottom) for sorting healthy foods. On the right, a sad girl in an orange shirt has five empty green boxes arranged in two rows (three on top, two on bottom) for sorting unhealthy foods.
