

A large worksheet template for a food blog. It has a light blue background with a large light green rectangular box at the top. The title 'Easy Menu Blog' is written in large, red, bubbly letters. The page is decorated with various fruit illustrations: a watermelon slice on the left, a banana on the left, a pineapple on the right, and a strawberry on the right. At the bottom, there are two white-bordered photo frames. The left frame contains a photo of three small pizzas with toppings like olives and tomatoes. The right frame contains a photo of a fruit salad with strawberries, kiwi, and a dollop of cream. The entire page is framed by a light blue border with stylized fruit and leaf patterns.
