

**Unit 3. Test 12.**

**Check what you have learnt in block 1.**

**1. Read the text and answer the questions:**

**The Normans conquest was the last military invasion of Britain. But the Normans were not the last to contribute to the British mixture of peoples. After the Second World War, where there was an acute shortage of workers, immigrants from Commonwealth countries started pouring into Britain. Most of them came from India and Pakistan or from the West Indian islands in the Caribbean.**

**At first, the immigrants were very welcome, but their numbers grew, several laws were passed to reduce immigration. Today only a small number of relatives of earlier immigrants are allowed to enter Britain every year.**
