## MY BED IS A LITTLE BOAT

My bed is a little boat,
That's cuddly, warm and ready to float;
Mother helps me in and I feel safe.
She tucks me in my favourite place.

And some things to bed I take, Perhaps a toy or two, A teddy bear and a toy soldier As most good sailors do.

At night, I go on board and say Good night to all my furry friends; I shut my eyes and sail away And see and hear no more.

But when the day returns again, I open my eyes and see my friends. Safe in my room, wide awake, Ready to face a brand new day.
