**The Story of Peacock and White Crow**

It is said that in Myanmar, there is two birds, namely Peacock and Crow.

They have the same feather color, is white. However, their nature is very opposite. Peacock is a bird that is so care with its appearance. Whereas Crow doesn't care about appearance, even likes to eat animal carcasses. Peacocks often warn him. However, Crow did not want to care about it.

**Reading**

Once afternoon, Crow arrived with a dirty body full of mud. While the peacock still looks shiny white. Peacock patiently washed the crow's feathers. While done, peacock said "If we both have colorful feathers, we will more interesting. We will be the most beautiful birds in the world. Come on, Our crows change to paint the hair on our body to make it beautiful-colored. "

Even though he was not too exited to joined the invitation, crows just follow the invitation from peacock. He painted the Peacock feathers first and made the appearance of peacock become even more charming.

Then the Peacock is ready to paint the crow's feathers. When he wanted to start, Crow saw a squirrel carcass floating in the pond. Crow can't wait to eat the carcass and ask the Peacock to finish it with one color, Black
