

The Logical Song (by Supertramp)

Read the song and complete with a word derived from the one at the end. You may need to make adjectives or adverbs. Then listen and check.

When I was _____ (YOUTH), it seemed that life was
so _____ (WONDER)
A miracle, oh it was _____ (BEAUTY), _____ (MAGIC)
And all the birds in the trees, well they'd be singing so _____ (HAPPY)
Oh _____ (JOY), _____ (PLAYFUL) watching me
But then they sent me away to teach me how to be _____ (SENSE)
_____ (LOGIC), oh _____ (RESPONSIBILITY), _____ (PRACTICE)
And they showed me a world where I could be so _____ (DEPENDABILITY)
Oh clinical, oh _____ (INTELLECT), _____ (CYNICISM)
There are times when all the world's asleep
The questions run too deep
For such a simple man
Won't you please, please tell me what we've learned
I know it sounds absurd
Please tell me who I am
I said, watch what you say or they'll be calling you a radical
_____ (LIBERALISM), oh fanatical, _____ (CRIME)
Won't you sign up your name, we'd like to feel you're _____ (ACCEPT)
_____ (RESPECT), oh _____ (PRESENT), a vegetable
Oh, take it take it yeah
But at night, when all the world's asleep
The questions run so deep
For such a simple man
Won't you please tell me what we've learned
I know it sounds absurd
Please tell me who I am, who I am, who I am, who I am
'Cause I was feeling so logical
D-d-digital
One, two, three, five
Oh, oh, oh, oh
It's getting _____ (BELIEVE).
