She often goes to bed early because she gets up at 6:00.

Tom lives in the city. He lives in a flat in a tall building. Every morning, he gets up at 7:00 o'clock. First, he takes breakfast. Then, he gets dressed. Next, he feeds his cat. Finally, he takes the bus to school. After school, he goes to the club with his brother. They play football for the school's team. They love football.

They both usually make their beds, but they rarely wash the dishes. Tom is a very active guy, so he always does exercise before going to bed.
