

Listen to the song and then drag from the word box the words needed to complete the lyrics.

I'm dying to catch my \_\_\_\_\_  
Oh why don't I ever learn?  
I've lost all my \_\_\_\_\_,  
Though I've surely tried to turn it  
\_\_\_\_\_  
Can you still see the \_\_\_\_\_ of me?  
All my \_\_\_\_\_ fades away  
When you hold me in your \_\_\_\_\_  
Don't tear me down for all I need  
Make my heart a better \_\_\_\_\_  
Give me \_\_\_\_\_ I can believe  
Don't tear me down  
You've opened the \_\_\_\_\_ now,  
don't let it close  
I'm here on the \_\_\_\_\_ again  
I wish I could let it go  
I know that I'm only one \_\_\_\_\_  
away  
From turning it around  
Can you still see the heart of me?  
All my agony fades away  
I tried many \_\_\_\_\_ but nothing  
was real  
Make it fade away, don't break me  
down  
I want to believe that this is for real  
Save me from my \_\_\_\_\_  
Don't tear me down
