

## PHONETIC SUMATIVE PRACTICE

Name:

Date:

Read the statements and click TRUE OR FALSE.

1. If the original final sound before the s is voiced, the pronunciation of the plural s is /s/.
2. If the original final sound before the s is voiceless, the pronunciation of the plural s is /s/.
3. But if the final sound before the s is sibilant then the ending is /iz/, which also adds another syllable to the sound.

Drag and drop the words to classify their ending pronunciation.

Laughs washes stops cowboys dries shoes

Fixes sleeps marries dishes works locks goes stretches.

| /s/ | /z/ | /Iz/ |
|-----|-----|------|
|     |     |      |
|     |     |      |
|     |     |      |
|     |     |      |
|     |     |      |
