Most people know hip hop as a style of music but in fact hip hop is more than just the music. it is the words, the dance and generally a whole culture of young people who sing it, dance it and live it.

LIVEWORKSHEETS

It began its history in the Bronx are of New York City as early as the 1970s. But hip hop music did not start from nothing. Like all music, it had its beginnings in another kind of music.
In the case of hip hop, this music is African American music, and some even say African music. Since the 1990s, hip hop has also become very popular in other parts of the world. For example, in Europe, Africa, and Asia it is the most popular style of music for teenagers. Hip hop has already been around for almost 40 years. Like rock and roll, it will probably be around for at least another 40 years.

(Adapted from key for School Practice test plus, published by Pearson)

A. True B. False

Read the following passage and choose the option (A, B, C or D) that best answers each of the questions below.

Ashley Trent

Ashley Trent, one of our most popular young actors, is now filming college Rap. He began having acting lessons six years ago and was in his play at ten years old.
At fourteen, he immediately became well known, not for acting in the theater, but on TV. "That was fun!" he says. "I was in a fast-food advert with a cartoon clown, but filming College Rap is much harder work. I have to play baseball and sing in the film, which is fine, but I need to have dancing lessons too. When we finish filming each day, I don't go out with friends. I usually sit in the bath for an hour because my legs and arms hurt! But I'm enjoying myself because the three adult actors who the teachers in College Rap are really good. They've filmed all over the world. They've taught me to remember my lines more quickly too. I needed half a day to learn five pages before, but now I only need a quarter of an hour."

(Adapted from KEY English for School Trainer, Published by CUP)

41. When Ashley was 14, he acted in a _____.
