

## EVEN AND ODD NUMBERS

Draw **2 columns** A and B.

- Write the numerals which were **grouped in 2's EXACTLY** under A.
- Write the numerals which had a **REMAINDER of 1** when **grouped in 2's** under B.

A	B
<p>Like this</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px;"></div> </div>	<p>Like this</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px; margin-right: 5px;"></div> <div style="border: 1px solid black; width: 40px; height: 25px;"></div> </div>
<ul style="list-style-type: none"> <li>• The numerals above are <b>EVEN NUMBERS</b>.</li> <li>• They can be grouped in 2's exactly. <b>There is NO REMAINDER</b>. They end with <b>2, 4, 6, 8 or 0</b>.</li> </ul>	<ul style="list-style-type: none"> <li>• The numerals above are <b>ODD NUMBERS</b>.</li> <li>• When grouped in 2's, they always had a <b>REMAINDER of 1</b>. They end with <b>1, 3, 5, 7 or 9</b>.</li> </ul>
