Task 2: Read and answer the questions

Hello, my name is July. My family is a small family in a rural area. My family has four people. They're my dad, mom, sister and me. Because I live in the countryside, my family's main work is farming. My parents wake up very early to go to the field. The field is very large and has many trees. My parents grow a lot of trees. Every day, after going to school, I water the trees. When the harvest comes in September, I often help my dad. After the harvest, my parents sell the results we get. Farming is very tiring but very fun. I like watching the trees grow day by day. I love my family's work.
